

The diagram illustrates a stage layout with a dark green rectangular area representing the stage floor. The back wall is labeled "Back" at the top center, and the front wall is labeled "Front" at the bottom center. The stage is flanked by two light blue trapezoidal areas representing side walls or bleachers. In the center of the stage, the text "Full Stage Depth (center edge of stage to back wall)" is displayed above "Full Stage Width". To the right of these labels, the dimensions "13'6\"" and "23'6\"" are listed, corresponding to the depth and width respectively. The stage is bordered by a light blue frame, and the entire layout is set against a dark green background.
